

SHELL SCHEME GRAPHICS

OPTION ONE

OPTION TWO

OPTION THREE

OPTION FOUR

OPTION 1 - Seamless Graphics

Seamless PVC printed graphics which offer uninterrupted graphic display of your shell scheme wall. Your shell scheme will be first lined with your flat wall sections which will then be covered with your seamless print. Panel size: Please contact us for exact dimensions for setting up artwork.

OPTION 2 - Individual Infill Panels

Full colour individually printed graphics panels mounted onto 3mm Foamex. These panels will be mounted directly onto the shell scheme walls in-between the aluminium framework allowing the up-rights and cross beams to still be visible.

Panel size: 948mm x 2338mm high

OPTION 3 - 1m² Graphic Panels

Seamless PVC printed graphics which offer uninterrupted graphic display of your shell scheme wall. Your shell scheme will be first lined with your flat wall sections which will then be covered with your seamless print. Panel size: Please contact us for exact dimensions for setting up artwork.

OPTION 4 - Roll up banner stand

Free standing graphic stand with banner material full colour print. Fully portable. Comes with padded carry case. Please contact us for exact dimensions for setting up artwork.
